Buenos Aires, Argentina

Graduation Date: Feb 2023

WORK EXPERIENCE

Servicios Computables

Full Stack Developer

Buenos Aires, Argentina

Oct 2020 - Sep 2022

- Learned how a complex system works from the inside (1000+ daily users).
- Inspected, reviewed and rewrote functional modules in a live webapp built with PHP, MySQL, VueJs and more.
- Identified and resolved critical bugs in the system, resulting in a 40% reduction in user complaints and an improvement in overall user experience.

The Network - Privacy focused social network

Software Engineer

Remote-USA

Sep 2022 - Present

- Designed and implemented REST APIs to allow for the integration of various systems and services.
- Developed a highly efficient search engine bot that automated business needs, resulting in a 50% reduction in manual tasks.
- Clarified, systematized and implemented a mission based web platform for users accepted into the Network.

PROJECT EXPERIENCE

HackIT-BA

Founder

Buenos Aires, Argentina

Apr 2023 - Apr 2023

- Organized and hosted a 3-day student hackathon, attracting over 100 participants and generating sponsorship revenue of \$10,000, making it one of the largest hackathons in university history.
- Developed partnerships with industry-leading companies, securing participation from 20 tech companies as sponsors and mentors for the event, providing students with valuable networking opportunities and access to real-world expertise.
- Curated a diverse range of workshop topics and speakers, including privacy experts, blockchain developers, and automation specialists.

LEADERSHIP EXPERIENCE

Computer Society ITBA

President

Buenos Aires, Argentina

Jan 2022 - Jan 2023

- Directed an organization of 40+ ITBA students, including national Mathematics and physics champions.
- Attained a 100% growth in organization members, becoming the top organization at ITBA.
- Coached the board of directors to help them get through their day to day activities.
- Coordinated a 100+ attendees hackathon at our university, with more than 50k USD in prizes, totally free.

Computer Society ITBA

Blockchain coordinator

Buenos Aires, Argentina

Jan 2021 - Jan 2022

- Contributed to the Ethereum Foundation Open Source page.
- Collaborated with industry experts and influencers to develop course content that received an average rating of 4.5 out of 5 from participants, indicating high satisfaction and effective teaching methods, and over 10k visits on Youtube.
